Virtual Fishing

The Milford Youth Center will not be able to provide a summer camp due to State and Town regulations. During this time we will continue to provide free programming virtually on our Facebook, Website: MilfordYouthCenter.org, Instagram, and Milford TV's App & Local Access Educational Channels (Comcast Ch 11, Verizon Ch 40) or Public Channels (Comcast Ch 8, Verizon Ch 38). We will also be providing small group programming at the Youth Center for a small fee.

All virtual programs/ program times are subject to change.

If anyone is interested in sharing their skills, hobbies or talents, please contact our Program Coordinator at Kirwin@townofmilford.com to help us continue our mission of bringing free programming to the community.
