The Annual Street Listing/Annual TOWN Census:

2025 Annual Street listings/ Annual Town Census has been mailed to all households. It's important to return your Annual Street Listing every year even if there are no changes to the form. You can return the Annual Street Listing to our office by using the enclosed envelope, by faxing your form to 508-634-2324 or by email to MilfordAnnualCensus@townofmilford.com.

What happens if I don't return the form?

Registered voters who do not return the Annual Street List Form and do not respond to a follow up mailing will be designated an "Inactivate" voter on the street/voter list. Such persons will only be eligible to vote after they fill out an "Affirmation of Current and Continuous Residence" the next time they come to vote.

Last year I indicated that someone moved out, so why are they still on the form?

A registered voter who moves and does not register to vote in another community cannot be removed from our street list until they have not voted in two consecutive state elections (which may be why you may have told us someone moved but they still appear on your form). If you have a forwarding or new address for these individuals, please provide their new address to us so we can mail them paperwork to be removed or you can tell them to register in their new MA community. When they do, their name will be removed from our records.

Dog Licenses:

Dog licenses are issued at the Town Clerk's Office. Our licensing period runs from April 1st - June 30th each year. If you return the insert portion in the Annual Street Listing to register your dog, we will hold the form until April 1st to do so. Please make sure to send a valid rabies certificate to our office either by mail or email to MLaughlin@townofmilford.com.

If you have a new puppy/dog, please register the puppy/dog after it receives its rabies vaccination (you will need to provide our office a copy of the rabies certificate). Copies of spay/neutering certificates will also be required for all new puppies/dogs if applicable. Those pet owners who are renewing their dog

licenses from the previous year will only need to present us a spay/neutering certificate if the surgery for spay/neutering was done after you have registered your dog in 2024. We will also need a new/valid rabies certificate if it has expired. If you are unsure, you can always call our office to verify what documentation may be needed. If you no longer have a dog at your residence, you can call or email the office so we can remove you from our dog list.
