MYC's Mission

The mission of the Youth Center is to provide a safe environment that promotes self-esteem, builds character, and fosters the notion of community and the importance of respecting and serving others. By providing Milford youth with programs and a safe environment during the after-school hours and during our monthly events, we address adolescent risk factors as well as promote the partnerships among community members to ensure a comprehensive vision and plan for the health of the youth in the town of Milford.

Tee Up For The Community

Fundraisers, like these, are so important to the Center, as we are currently responsible for raising funds to continue and expand programming for our free 10-month after school program and 6-week Summer Camp Program.

Many thanks to our Golf Committee, sponsors, staff and volunteers, for all their support to help make this event possible!
